Defendant.)	

NOTICE OF REMOVAL

Defendant, Farmers Insurance Company, Inc. ("Farmers") pursuant to 28 U.S.C. §1441 et seq. and Local Court Rules of the United States District Court for the Northern District of Oklahoma, states as follows:

- 1. The above styled cause was commenced in the District Court of Tulsa County, State of Oklahoma and is now pending in that court. Process was served on Farmers by certified mail on the Oklahoma Insurance Commissioner on April 14, 2014. A copy of Plaintiffs' Petition setting forth a claim for relief upon which the action is based is attached hereto as Exhibit 1. A copy of the Summons served upon Farmers is attached as Exhibit 2.
- 2. Plaintiffs at all pertinent times to this lawsuit was a resident of Tulsa County, Oklahoma.
- 3. Farmers is a foreign corporation doing business in the State of Oklahoma. Farmers is incorporated in and has its principal place of business in Kansas.
- 4. The amount in controversy is greater than \$75,000 as set forth by Plaintiffs in their Petition. This lawsuit involves an automobile accident which occurred on January 10, 2009.

Plaintiffs seek a money judgment against Farmers for actual damages in excess of \$75,000 and punitive damages in excess of \$75,000. Plaintiffs have asserted causes of action for breach of contract, breach of the duty of good faith and fair dealing and punitive damages. Under Oklahoma law, a plaintiff may be awarded, as punitive damages, the greater of actual damages or \$100,000 for breach of the duty of good faith and fair dealing by the plaintiff's insurer. If the jury finds the insurer intentionally and with malice breached its duty of good faith and fair dealing it may award \$500,000 or twice the actual damage. 23 O.S. \$9.1 (2003). "[P]unitive damages may be considered in determining the requisite jurisdictional amount." *Woodmen of World Life Ins. Soc. v. Manganaro*, 342 F.3d 1213, 1218 (10th Cir. 2003); *see also Geoffrey E. Macpherson, Ltd. v. Brincell, Inc.*, 98 F.3d 1241, 1244-1245 (10th Cir. 1996). Thus, the amount sought, by Plaintiffs, for actual and punitive damages, exceeds the jurisdictional amount of \$75,000, exclusive of interest and costs. Clearly, "it cannot be said 'to a legal certainty that the claim is really for less than the jurisdictional amount." *Geoffrey E. Macpherson, Ltd.*, 98 F.3d at 1245 (quoting *St. Paul Mercury Indem. Co. v. Red Cab Co.*, 303 U.S. 283, 289 (1938)).

- 5. As a result of diversity of citizenship, and since the amount in controversy exceeds \$75,000, exclusive of interest and costs, this is an action over which the United States District Court for the Northern District of Oklahoma has original jurisdiction pursuant to 28 U.S.C. §1332(a).
- 6. An Entry of Appearance for Plaintiffs' counsel is attached as Exhibit 3. Proof of Service filed in Tulsa County is attached as Exhibit 4. No other process, pleadings or orders were served on Farmers to date.
 - 7. A copy of the Tulsa County docket sheet is attached as Exhibit 5.
 - 8. A civil cover sheet is attached as Exhibit 6.

Respectfully Submitted,
